Dear Freddie,  
We've had a lot of fun  
in the past four years. I know I  
won't forget our good times, and I  
hope you won't. Though we're not  
going to the same school, let's continue  
to have fun when we're together.  
Your Good Pal,  
Roger

# Dedication

"Say, have you heard Coach's latest joke?" That is just one of the ways the students of H. H. S. shows that Mr. Stanton is a favorite of everyone. As each year passes, we came to know and appreciate him more than ever before. His "always-super" football teams have done more than anything to make us proud of our school. We regret that he has moved away from the high school, but we still see him often and remember him as a part of H.H.S. In appreciation for the outstanding work he has done for our school, we dedicate the 1947 Round-Up to Coach Stanton.

Just a glimpse at our Hereford High School building brings rushing thoughts of the many activities and experiences we've had here. Most of all we value the close friendships that have come from associations with the faculty and students. We still feel the excitement of each football game and the disappointment of every defeat, always remaining loyal to our school. We can never forget the enchantment of all the banquets, the school plays, and all the other activities that make our school days complete. Other occasions such as writing term themes, straining over final exams, and learning Julius Caesar are just as memorable, and it is with a catch in our throats that we hear for the last time this year

Hail Hereford High School  
Hats off to you!  
Ever you'll find us  
Loyal and true.  
Firm and undaunted  
Always we'll be.  
Hail, to the school we love  
Here's a toast to thee!

The effort exerted by those who have planned and edited this fine annual is a demonstration of splendid spirit of cooperation and willingness to work for the interest of Hereford High School. As you refer to this annual in future years, may each page bring pleasant memories to you of your high school days.

To those of you who are leaving high school for higher education or other fields of endeavor, my very best wishes for your success.

Sincerely yours,

Geo L Graham

Dear Students

I want to congratulate you for your fine  
attitude and cooperation as a student body.  
I think one would have to look a long time to  
find a better student body than we have here  
in Hereford High School.

My sincere wish for each of you is a  
happy and successful future.

Sincerely yours,

Don J. Martin

"Can you change a dime for two nickels?" "Will you open the office for me?" "Has the tardy bell rung yet?" -- The one who can answer these and countless other questions is Mr. Brock.

Both students and teachers alike respect Mr. Brock for his industry, his sincerity, his faithfulness, and his many other splendid traits. Day or night, he is called upon to serve and seems ever ready to help.

Truly, he's a definite part of H.H.S., and the Round-Up pays special tribute to him.
